

## Have You Heard?

by Dorothy McCain Elsenius

Every day more contributions are received at the Chamber office for the Albany Flag Fund. Latest donation received was \$25 from Albany Parlor 260, Native Daughters of the Golden West, who gave their donation in recognition of Native Daughter Civic Week. President of the Parlor is Linda Kendall Colomy.

Conatulations to William Fox of Kains Avenue, who has been awarded a \$700 summer fellowship as a graduate teaching assistant at Arizona State University. Fox is undertaking graduate study in the zoology department of the ASU College of Liberal Arts.

One local lady, Ellen Ekenberg, has developed a new business from what was merely a "delicious" hobby, just a short time ago.

Ellen's friends, after enjoying many of her gourmet meals, finally prevailed upon her to go into the catering business, and have formed a club, called the Grooming Board Eating Club, which meets weekly at members' homes to enjoy her fine cooking. Ellen is now making plans to acquire a commercial kitchen and hopes to expand her operation to include large scale catering.

The young gourmet cook can be reached any day of the week, between the hours of 7 a.m. and 7 p.m., by calling 735-1211.

On the "sick list" is Dominic Greco, popular Albany mixologist, who is recuperating from surgery at Alta Bates Hospital.

Also, listed as patient at the Martinez Veterans Hospital is Bob Spomer, past commander of Albany American Legion Post 282.

The Albany-El Cerrito Exchange Club had all the members of their Little League team, the Astros, including the manager, to lunch last week, and we hear that Exchange Club members were more excited about the affair than the kids. Here is a real enthusiastic sponsoring group!

Have you seen the goat in the window of Security Savings and Loan on Solano? No, it's not a real one, just a statue which was awarded to the Albany Sororist Club during their recent Tahoe conference.

They received it for taking part in a "Put Your Goat on the Spot" project to send kids to Korea. It seems that little child.

## Summer Camps Offer A Variety of Experiences

A number of summer camps are being offered to area youngsters to give them a choice and variety of camping experiences.

For those youngsters 11 thru 13, who like to explore the woods and fields, and perhaps bring home a snake, lizard or frog and learn about conservation and nature, the East Bay Regional Park District has just the thing, in its 216-acre Camp Ohlone in Southern Alameda County.

The site is six miles up the wooded Alameda Creek Canyon from Sunol Valley Regional Park, and registration is now open for four sessions, which start June 21 and end July 23.

The dates for the sessions are: girls' session, June 21-25; first boys' session, July 5-9; second boys' session, July 12-16; boys' return session for 12 to 14 year olds who have attended Camp Ohlone in the past two years, July 19-23.

Each session will be limited to 24 campers, and the fee for each five-day session will be \$41. For further information write Wallace Cromwell, c/o Sunol Valley Regional Park, P.O. Box 82, Sunol, Calif., or phone him at 862-2244.

The Oakland Salvation Army is now taking applications for their summer "Adventure Day Camp," which will begin on June 19 and continue through the summer, with extended hours to cater to children of working parents.

Supervision for all elementary school age children will be provided from 8 a.m. to 6 p.m. at the Salvation Army Citadel, 6th Avenue and Foothill Blvd. in Oakland.

Field trips, visiting speakers, camp-outs, crafts and sports are

activities will be included in the busy daily program, with a special emphasis placed on learning to take advantage of resources in the community which are available throughout the year.

Enrollment for the camp is \$15 per week, and application deadline is Friday, June 2. For further information call the Day Camp Director at 832-0815.

The East Bay Baptist Association is planning a Youth Camp program for fourth through seventh grade boys and girls to be held in Mission Springs (near Santa Cruz) from July 10 through July 14.

Registration forms will be available soon. For further information call 483-3665.

## Contributions Keep Coming In

Included among contributions received last week for the Albany Flag Fund, was one from Mr. and Mrs. Albert Anderson, owners of the Hopkins Lauderette, sent in memory of Mrs. Anderson's son, Ray E. Clark. This will be used to purchase the first 10x15 all nylon flag.

Many other contributions have been received by the Chamber of Commerce, bringing the total received through Friday, May 5, to \$1,206.63. The total amount needed is approximately \$2,000.

Last week's contributors include: members of the John Birch Society, \$20; Mrs. Doris Blumberg, \$5; Hans Schwab, D.V.M., \$5; Albany Bowl, \$25; Williams & Lane, \$25; Mechanics Bank, \$50; Bob Carlson, \$1; John Duncan, \$10; Hollfelder's Jewelry, \$5; Mr. and Mrs. Gil Ferreira, \$10; Albany Firemen's Wives Auxiliary, \$10; and Mr. and Mrs. Albert Anderson, \$70.

Checks should be made payable to the Albany Chamber of Commerce Flag Pole Fund, and mailed or brought in person to the Chamber of Commerce office, 1108 Solano Ave. All contributions will be suitably acknowledged.

Others include: Ed Pezzola, Mascola's Delicatessen, East Bay Excavators, Solano Pet Shop, Frank Loveland, and Frank's Chevron Service.

Several sponsors have not been heard from as yet, in response to the renewal pleas sent out. The Little League urges them to contact the League as soon as possible, as the season is underway, and some boys may be unable to play because of a shortage of funds.

ALBANY CANCER CRUSADE chairman, Mrs. Dean Flint (left) aided by Mrs. Clyde Nottingham, also of Albany, check over the "bank night" tally of contributions for the city. First night report indicated volunteers have already collected over 50 percent of the city's 1972 goal of \$3,000.

## Cancer Crusade Progress

First night returns from the recently concluded Cancer Crusade indicate that voluntary contributions to the American Cancer Society's fight against cancer have reached an all-time high of \$221,000—60 percent of Alameda County's \$360,000 goal.

Mrs. Dean Flint, chairman for the City of Albany, was one of the early reporters at the traditional "Bank Night" operation. Although the returns were far from complete, Albany Crusaders checked-in early with a first night count of \$1,573. City goal for 1972 has been set at \$3,000.

"I have no doubt that Albany will again make, and hopefully exceed, our Crusade goal," said Mrs. Flint. "Returns are well ahead of last year's 'Bank Night' figure and there are still many areas that are far from complete."

Initial returns from the five-day house-to-house campaign throughout Alameda County show that a total of \$35,586 was raised and returned on the evening of the Crusade concluded. This amount represents 41 percent of the residential goal of \$103,000.

More than 400 men, women and teenage volunteers from Albany participated in this year's Crusade. In addition to raising funds to support cancer research, education and service to cancer patients, they also distributed the latest cancer information to residents throughout the city.

Students who helped with the clean-up are: Jack Hughes, Toni Major, Andrew Bell, Ramonda Rabb, Gina Jackson, Sharon Ikeda, and Doreen Morandini.

Also lending a hand were: Jack Hughes, Lauri Nichols, Alice Dori, Tim Wright and Larry Van Eckhardt.

Mrs. Flint urged volunteers who have not as yet completed their assignments to do so as soon as possible. She also pointed out that Albany residents who were not contacted by a volunteer, and wish the free cancer control literature, to contact her at the ACS headquarters, 477 15th St., and it will be mailed to them.

## Boosters Meet

Norman Jacobson, president of the Albany Athletic Booster Club, invites all members and friends to a very important meeting this evening (Wednesday, May 10), in the Albany High School teachers' lunch room, at 8 p.m.

Plans are now underway for the Annual Spring Sports Banquet, to be held on June 8, and "Norm" will welcome new suggestions from anyone interested in maintaining the enthusiastic cooperation of parents and the young athletes in the various sports programs in Albany. Members are urged to contact other mothers and fathers of budding young athletes to ask them to attend this meeting as their guests.

## Albany Day at GGF

Thursday, May 18, will be "Albany Day" at Golden Gate Fields, sponsored by the Chamber of Commerce.

Reservations for the Albany Day Turf Club luncheon, at \$6 per person, may be made at the Albany Chamber office, 1108 Solano Ave., phone 525-1771.

Free tickets to the Club House, with a small service charge, will be available at the Chamber office or at the Albany Times, 1240 Solano Ave.

## Note of Thanks

On behalf of the Albany Little League I would like to thank all of the wonderful mothers who baked cakes for our Opening Day Bake Sale. It was a huge success.

## Council 'Freezes' Albany Hill

At the suggestion of Councilman Lewis Howell, the Albany City Council has declared a 90-day freeze on building on Albany Hill.

Howell based his motion on the fact that emotions had been so aroused in the community, both pro and con, as to a park vs. apartments on the Hill, that the 90-day freeze would enable all interested parties to get together to try and work out a plan which would be agreeable to all.

The boundaries of the area covered in the freeze are from the intersection of Taft and Hillside Aves. west to the property line and the Freeway, north to the County Line, east along the creek to San Pablo, south to the Bessemer property and west down the property line, then south on Taft to where it intersects with Hillside.

In other action, the Council set a public hearing date of May 22 for Leon Rimov's appeal of the decision of the Planning and Zoning Commission's granting of a use permit to Mrs. Peter Tam for construction at 711 Hillside Ave.; and a June 19 hearing for Polly Gleason's appeal of the P&Z Commission's decision on the granting of a use permit for the apartment complex on Taft.

Several letters, concerning the Taft construction, were ordered held over to be read at the public hearing.

The City Attorney was requested to prepare the necessary resolution appointing Fernando Camacho as maintenance man, to fill the vacancy caused by the retirement of Theodore Hutt in the Street Dept.

The recommendation of the Albany Republican Assembly, opposing legislation proposed by Assemblyman Kenneth Meade of Berkeley, to abolish the City of Emeryville, was accepted by the Council on the grounds that it could be detrimental to other small cities (including Albany), and City Attorney Larry Saler was instructed to prepare the necessary resolution for Council's approval.

Correspondence also included a communication from Kenneth Forry, School Superintendent, concerning the matter of more adequate access to Feeny Field. The City Administrator was asked to notify the Board of Education that the Council was ready to meet with them anytime to discuss the problem.

However, in reference to other recommendations, Board Member Jack Rosano, expressed concern about the difference in operating costs between 5 and 6 campuses, and asked that the subject be researched.

The Advisory Committee has recommended two kindergarten through 3rd grade schools, two kindergarten through 5th grade, the one "middle school" for grades 6, 7 and 8, and the high school for grades 9 through 12.

The Committee will now discuss sites and costs of the plan, with a final report going to the Board on June 1.

In noting that the Committee has recommended against the rehabilitation of the condemned portions of Marin and Cornell schools, because of prohibitive costs, School Superintendent Kenneth Forry said a bond issue to replace them will probably go on the general election ballot in November.

The luncheon will be complete, with hors d'oeuvres, full luncheon entree, salad, dessert, coffee and tea, and will be served by Job's Daughters. A home economist will be featured as part of the program. New ideas, recipes, and over 50 food products will be given away as prizes.

Reservations, at \$1.25 per person, must be made before Thursday, May 11, by calling Mrs. Barba, 526-3944.

Council members also adopted a resolution commending William G. Woolworth, Director of Instruction for Albany Schools, on his retirement after 40 years with the Albany Unified School District.

An application for an amusement and entertainment permit, by Melba L. Garcia, for 938 San Pablo Ave., was referred to the Chief of Police for his approval, and at Councilman Richard Clark's recommendation, it was further stated that the approval be for "bar only," with the intention of denying the amusement and entertainment permit.

The Chief of Police was also asked to investigate the application of Mohamed S. Abdullah for an off-sale beer and wine license for 731 Buchanan St., and report back to the Council with his findings.

Under the "Good of the City" several citizens addressed the Council again on the subject of a park vs. construction on Albany Hill, including Marin School student Andrew Bell, and Hill resident Catherine Webb, who both spoke on preserving the Hill with a park, and Fred Kirby, who said he had lived in Albany all his life and was concerned about the development of the Hill. He suggested that the Council seek ways of developing the west side of the hill and still leave the crest for a park.

The Council was commended by Dario Menketti, for their "freeze" decision. He noted that Council members were acting wisely in being responsive to the desires of the citizens.

## Board Accepts Committee Report

The Albany Board of Education has accepted the idea of a "middle school," as suggested in a list of recommendations made by the Citizens' Advisory Committee.

However, in reference to other recommendations, Board Member Jack Rosano, expressed concern about the difference in operating costs between 5 and 6 campuses, and asked that the subject be researched.

The Advisory Committee has recommended two kindergarten through 3rd grade schools, two kindergarten through 5th grade, the one "middle school" for grades 6, 7 and 8, and the high school for grades 9 through 12.

The Committee will now discuss sites and costs of the plan, with a final report going to the Board on June 1.

## Suzie Pavey Altar Bound

Culminating a betrothal of 1½ years, Suzanne Pavey, daughter of Mr. and Mrs. Harold Pavey of El Cerrito, and William Vincent, son of the Melvin Vincents of San Jose, will be married on June 17, almost five years to the day of their initial meeting, which took place at a University of California orientation program for new students.

Both are UC graduates, class of '71, and both majored in biological sciences. "Suzie," as she is called, is currently receiving her one-year of traineeship at the Santa Clara Valley Medical Center, and she will become eligible for her license in September, as a medical technologist.

Her fiancé, Bill, is currently enrolled in his first year at UC Berkeley's School of Optometry.

A traditional formal wedding is being planned for the afternoon of June 17, at St. Joseph's Church in Berkeley, with a reception to follow at the Berkeley Elks Club.

Suzie's younger sister, Laurie, now Mrs. Jeffrey Schrieblman, will serve as her matron of honor.

The couple plan to reside in Berkeley, following their marriage, where Suzie hopes to become employed in her profession, while Bill continues his studies in optometry.

## We HAVE THIS little problem ABOUT IMAGE

In western movies, the funeral director is a shifty-eyed, no-good character who races with his tape-measure in hand to every shoot-out. In contemporary books and shows, he's the shrewd businessman who thrives on death.

How does a guy overcome an image like that?

Perhaps the best way is by setting an opposite example -- by serving the living in a friendly, unselfish manner. We hope so, because that's what we've been doing all along.

## School Bond Change In Offing?

World renowned seismologist, Dr. Charles Richter, will be among witnesses in Sacramento today, pressing for a change in the state constitution to allow a simple majority of voters to approve funds for replacement of schools deemed earthquake hazards.

Dr. Richter will testify in behalf of legislation introduced by Senate Majority Leader George Moscone, scheduled for hearing before the State Senate Education Committee on Wednesday, May 10, at 11 a.m., in Room 3191 of the State Capitol.

Dr. Richter recently warned that there is not enough alarm

over the danger of a major tremor which could come soon in a geologic sense.

Some 1,700 school buildings in California do not meet state-imposed earthquake standards and are scheduled to be abandoned by mid-1975 unless corrections are made. Most of the buildings can be replaced only by bond issues requiring a two-thirds vote of the school district electorate.

In introducing the legislation, Sen. Moscone said: "The people of California are playing Russian Roulette with the lives of the children of this state by not responding to their safety needs."

The last five major earthquakes in California have occurred during non-school hours.

"Even presuming passage of Proposition 2 on the June ballot we cannot be assured that this potential hazard will be averted," said Sen. Moscone. His legislation could—if approved by the legislature—go on the November ballot.

## Tennis Clinic

Two of the U.S. Army's finest tennis players, Army Specialist Larry Ware, and Private Larry Turville, will hold a free Tennis Clinic in Berkeley, Thursday, May 25.

Both men are former All-Americans, and Specialist Ware was the 1969 "Coach of the Year" in the Ohio Valley Conference, while coaching tennis at Tennessee Tech.

Private Turville also distinguished himself at an early age, achieving the title of number one ranking Amateur in Florida at the age of 17. He is currently ranked among the top players in the nation, by the United States Lawn Tennis Association, and at 6'7" has the distinction of being one of the world's tallest tennis players.

These men are part of the Army Sports Program, which was established to help develop personal qualities which are vital to a professional military organization. Such traits as strength, endurance, teamwork, and the will to win, are developed and perfected with participation in sporting events.

For these reasons, the Army Sports Program has been developed and expanded to its present scope, with today's Army athletes being given the opportunity of competing in events as far reaching as Olympic Games and World Championships.

All those interested in picking up some pointers on improving their game, or just watching some fine athletes compete, are invited to attend the Clinic, which will be held Thursday, May 25, at 2 p.m., at Berkeley High School.

To make sure of a seat, please contact Staff Sergeant Jackson, at 451-9856, and simply indicate the number of spectators you will have in your party.

## Have You Heard?

(Continued from Page 1)

dren have gotten shortchanged on milk, due to a shortage of cows and goats. So the local club sent two kids—one named Bette (Rhodes) and the other Jean (Dagna) in honor of the past and present chairmen.

Barbara Young, Albany Soror-tinist and fashion-dress designer, now has her own personalized license plate, which also is a constant reminder of her customized dressmaking establishment, "B-Young."

There's something new in color photography, and according to Lilly Scarry at Sam's Pharmacy, they are using Eastman Kodak's newly developed color printing paper with a silk finish on all color photos brought to them for processing. The new finish gives more depth and richer colors than the old style paper. To celebrate this new innovation, they will give away a free 5x7 enlargement with every roll of film left to be developed and printed.

And more congratulations ... to Kendra V. Woods, daughter of Mrs. Kenneth C. Woods, Sr., of Kensington, who has been accepted for membership in the Purdue University Orchestra. Freshmen accepted into this organization are selected on the dual basis of musical background and academic ability.

Members of Albany American Legion Auxiliary, Unit 292, have been keeping themselves pretty busy. According to Sewing Chairman Ruth Holland, they have made and donated 75 pairs of carpet slippers, 52 pairs of knitted boots and 10 laundry bags, in the last year. These all went to Veteran Administration hospitals at Livermore and Martinez.

Instead of taking Mother out for dinner on "her" day, how about taking her to breakfast? Bayview Aerie 2323 will hold a steak and eggs breakfast on Mother's Day, at Eagles Hall, 3223 Carlson Blvd., El Cerrito. The affair will be held from 8 a.m. until early afternoon, and will include hot biscuits, hash browns, gravy, "steak and eggs," and other trimmings. Cost is only \$2 for adults and \$1 for children under 12, who will be served bacon or ham instead of steak.

According to a local high school teacher, anybody who thinks it's hard to move mountains has never read examination papers.

Kirby's newly remodeled and redecorated dining room and cocktail lounge also has a new name—"El Cerrito Station" to coincide with ????. Top among the attractions is a Salad Bar, where patrons can concoct a "Do-it-yourself" salad. Prices are reasonable and the dinner also includes as much house wine as one may desire. Luncheon hours are 11:30 a.m.

## Area Eagle Scout Awards

Keith Hellwig

Keith Hellwig, son of Mr. and Mrs. Eugene Hellwig of Albany, and Mark Hulbert, son of former Albany-El Cerrito area residents, Mr. and Mrs. Robert Hulbert of Walnut Creek, have received Scouting's highest award, that of Eagle Scout.

Keith, an Explorer Scout, was presented with his award by Bob Cain, Advisor for Explorer Post 38, which is sponsored by the Church of Jesus Christ of Latter Day Saints, El Cerrito Ward.

Mark received his award from Boy Scout Troop 38, which is also sponsored by the same church.

Mark Hulbert

and is the third Eagle Scout in his family.

Keith, a senior at Albany High School, became a Boy Scout at the age of 11, and an Explorer at the age of 15. He is active in the church leagues for both basketball and baseball, and is a member of the Albany High Concert Band, Dance Band, and Orchestra. He plans to study for a medical career, following his graduation from high school.

Mark, now a junior at Ygnacio Valley High School in Concord, is a member of the California Scholarship Federation, and is also very active in athletics. He is now a member of Explorer Post 494.

Both boys assisted Mr. Ernest Douglas in the Summer School music department at Cornell School last year, as their Eagle Scout project.

## Gym Suits Out

A letter to the Albany High School student newspaper, The Informer, from senior Marco Meniketti, in which he questioned why students must purchase their own gym suits, with low grades and threats of suspension for those who do not, sparked an inquiry to the County Legal Council, which brought about a reversal of the ruling, thus discontinuing an "old (and unlabeled) Albany tradition," according to the school paper.

According to the California Constitution (Article 9, Section 5) "students are entitled to a free education," and according to AHS Principal Carl Couch, under this provision the school cannot require that students take a course and then make them buy specific clothing or equipment for that course.

"Our old policy was one that we inherited from 15 to 20 years ago," the principal noted in an Informer interview. "I welcome the opportunity that has been given us for students and teachers to work out a more suitable policy."

A new PE dress code is being drawn up by a committee composed of Dean Lou Signer, Mrs. Virginia Behm, Craig Ortleib, Scott Acorn, Lynn Berling, Eileen Keane, and Marco Meniketti.

to 2:30 p.m., and dinner will be served from 5:30 to 10:30 p.m. "Try it—you'll like it!"

## Reunion Planned

The El Cerrito High School class of 1957 will hold their 15 year class reunion Sept. 9, at the Cerrito City Club.

There will be a cocktail hour from 7 to 8 p.m., followed by a buffet dinner and dancing from 9 p.m. to 1 a.m., to the music of the Manny Gutierrez combo. Tickets will be \$20 per couple, and may be obtained by calling Ruth (Macdonald) Lillard, 223-1050. Reservations deadline has been set for Aug. 25.

Others on the planning committee include: Marlene (Friedrick) Helm, De Louis Knox, Roberta (Wilkins) Squellati, Martha (Holmes) Hawkins, Patsy (McCoy) Devers, and Kathryn (Fey) Macdonald.

## 'Cootie Party'

Joan Haggerty, president, and members of St. Jeromes Guild, are extending an invitation to all friends, neighbors, men and women, as well as all Parishoners, to attend their last social event of the year.

Remember that popular game of the "thirties"—"Cootie"? Perhaps you watched your parents play the game, or maybe it was one of your favorite pastimes. If not, you're probably asking "What's 'cootie'?"

Well, it's a game that's lots of fun, and requires no special talent or thinking. But most of all it's lots of fun and will give you a chance to join with others for an enjoyable afternoon and a chance to win many wonderful prizes.

The event will take place in the Parish Hall, Curry and Carmel Streets, in El Cerrito, on Thursday, May 11, from noon until 3 p.m.

Those attending may bring a bag lunch, and we will serve dessert and coffee.

Tickets are limited, but may be available at the door. For further information please call Laverne Lara, 524-5433, or Alice Scholz, 526-8824.

## Note of Thanks

We would like to express our thanks and appreciation to the many kind neighbors and friends for the beautiful floral arrangements, food, etc. and kind words of sympathy that were heartfelt. Also thanks to the Carlson Convalescent Hospital and Ellis-Olson staff for their kindness and help during the loss of our wife and mother.

Sincerely,  
The Myrle Welks Family

## Notes from the Albany Senior Center

By Margaret Longpre

Well! Hello, folks. Nice to be back and nice to see you again.

I was curious as to what was going on, so stopped in at the Center. My curiosity was curious no longer—I heard the click of knitting needles and now know that some sweaterless child will be made happy as the result of some of our Seniors' busy fingers.

Two bus trips are in the offing, and they sound very interesting. The first will be a Mother's Day trip, on Tuesday, May 16, to the Pine Cone Restaurant in San Leandro, where we had that delicious Thanksgiving Day Dinner last year.

The bus will leave the Center at 10:30 a.m., and the price of \$4 per person will include transportation and lunch. Sounds like fun, doesn't it?

Some of our members don't bother waiting for the bus—Ger-

trude Gaffney and Kathryn Avila recently returned from a trip to Mexico, where they report they had a wonderful time.

Elmer Bouchet and his wife, Myra, spent some time in Arizona, and have returned with some very beautiful pictures. Maybe we can prevail upon him to show them to all of us.

Gertrude Garden was also a very recent visitor to Arizona.

I understand that at the last business meeting of the Seniors, they voted to donate \$10 towards the Albany Flag Fund. Nice going, Seniors.

## Program to Aid Speech Problems

An intensive six-week correction program for East Bay children with speech problems will be offered by Herrick Memorial Hospital beginning June 26.

Children with similar speech disorders will be in small groups of youngsters who are their own age. Classes will meet Monday through Thursday for one hour, and individual therapy sessions will be added when necessary.

A medical referral is required for admission to the program, which will run from June 26 until August 11. To register, contact the Herrick Memorial Hospital speech and audiology department at 845-0130, Ext. 389.

The 15th annual speech correction summer program will be conducted by Miss Linda G. Beggs, M.A.; Miss Frances M. Tucker, M.A.; and Mrs. Estelle D. Swift, M.A.

## P &amp; F Candidate At Albany High

The baby doctor who turned anti-war activist, and who is now the Peace & Freedom Party candidate for President of the United States, spoke to Albany High School senior social studies class in the Little Theater last Friday morning.

Benjamin Spock told his audience that he retired from pediatrics in 1967 to "fight" the war in Vietnam, a war, he said, the United States had no business entering into, because "only Congress can declare war," and President Lyndon Johnson committed an illegal act by entering the U.S. in this war.

He also discussed the P & F Party's positions in such areas as economics, education, ecology, law and justice, health care, sex and personal freedoms.

According to the former pediatrician his Party would not only call for the withdrawal of U.S. forces from Vietnam, but from all over the world. The U.S. currently has over 2,000 bases in

foreign countries, which are not necessary for our defense, but are only there because "U.S. industry wants to control other parts of the world," according to the presidential candidate.

He also noted that his Party would close tax loopholes, especially those which allow at least 100 persons in the U.S. with incomes of over a million dollars to pay no income taxes; put an end to sexism and racism of all types, and provide free good-quality medical care to everyone as their "right."

During a question and answer period, following his talk, Spock told the students that J. Edgar Hoover was one of the "most un-American persons in America," who harassed and attacked all those he did not approve of. "In my estimation, Hoover was one of the most harmful people in America," he said.

When asked his opinion of the legalization of marijuana, he said he was "for" it... not to encourage its use, but because it is hypocritical of the government to

## Campaign For Bort

An orientation meeting was held early this week, by the Albany Campaign Committee for Joe Bort, to map out the strategy to re-elect their candidate to the Board of Supervisors.

Among those present to discuss plans with Candidate Bort were: John Pleich, committee chairman; Elmer Coble, co-chairman; Councilmen Hubert "Red" Call, Joe Carlevaro and Lew Howell; Charlie Graber, Hal Denham, George Bernard, Ruth Ganong, and Michael Fahmie.

Campaign plans will be announced within the week, along with further names of committee members.

## Walk-A-Thon Set For Saturday

Some 2,000 hikers are expected to turn out next Saturday, May 13, when the East Bay Municipal Utility District opens up—for one day only—several thousand acres of the most scenic land in the Bay Area, for a March of Dimes Walkathon.

The event, sponsored by the Contra Costa County Chapter of the National Foundation, will follow 15 miles of old roads, fire trails and pathways around San Pablo Reservoir, traversing canyons, meadows, deep woods and hilltops, with magnificent views

of the San Pablo watershed. Those participating will get an advance look at the San Pablo Reservoir Recreation Area, which will be opened next summer.

Each marcher will help raise funds for research on crippling birth defects, by securing sponsors to pledge to contribute a certain sum for each mile walked. Among Albany hikers who have already signed up is Don Luoma, son of Mr. and Mrs. Robert Luoma.

The Walk-A-Thon will be headed by honorary chairman, Van Amburg, KGO-TV newscaster, and will begin at the Wagner Ranch School, just off San Pablo Dam Road in Orinda.

Walkers can register, starting at 6 a.m. on Saturday, with the first wave of hikers leaving at 7 a.m. Every hiker must be registered and wear an official Walk-A-Thon badge. There will be check-points along the route, where monitors will stamp sponsor sheets with the number of miles walked. While the full route is 15 miles, it will be possible to quit at the eight-mile mark at a point close to San Pablo Dam Rd.

The competition is open to persons of all ages, but children under the age of 10 must be accompanied by an adult. Registration cards and further information may be obtained by calling the CCC March of Dimes office, 933-1113.

EBMUD watershed patrolmen, the Sheriff's Dept. and the Red Cross will provide the necessary facilities, patrolling and emergency services.

The event is being spearheaded by the Junior Women's Clubs of Contra Costa County, according to Mrs. William E. Long, chairman.

### NO BACKING

If you drive past the exit you wanted, don't try backing up. Proceed to the next exit and circle around, cautions Liberty Mutual Insurance Companies. You may not save any time but you may save your life.

## The Mail Bag

(The views expressed in the following letters are those of the individual writers, and do not reflect, in any way, those of this newspaper.)

Editor, The Times:

The following is a copy of a letter I have forwarded to the Albany City Council:

Re: Parks and Recreation General Plan

Gentlemen:

As a resident of Albany for 46 years I wish to urge approval of the Parks and Recreation General Plan as described in the open hearing May 4, 1972. The Plan does not involve any funding at this time and will serve to guide orderly development of specific items whenever funds are available.

Two matters, which are not included in the Plan, are quite significant. Discussion of the Plan in the open hearing revolved about Albany's needs for recreation.

1. In view of the Albany Isles Plan, already adopted, which encompasses 105 acres of purely recreational area, the needs of the City cannot be accurately assessed without including Albany Isles. I therefore urge the City Council to take whatever steps are appropriate to integrate Albany Isles with the Parks and Recreation Plan.

2. The Albany Hill "Overlook" is described in the General Plan but is not included for development. The only proposal for specific action is to ask Regional Parks to take over the open area, "at no cost to the City." However, if the City loses 13 percent of its available homestead area, the balance of the City will pay more in taxes to make up the loss. This may be desirable. I urge the City Council to weigh the benefits against the costs and to be very circumspect. We also pay for Regional Parks.

In urging approval of the Parks and Recreation General Plan I wish to emphasize the two matters presented above. Along with schools, they are an essential part of the overall City program.

Respectfully,  
SAMUEL R. DOWS

Editor, The Times:

We would like to call the attention of you and your readers to the understanding and helpfulness of the members of your city police force.

Yesterday evening, while driving home from the Bay Area, our car became disabled on Interstate 80 at the Pierce St. off-ramp, and we subsequently solicited the help of the police department, in that we were unable to find any mechanics on duty at that hour on a Sunday.

The dispatcher and officers on duty went out of their way to furnish us helpful information, so that in a short time we were once more again able to be on our way.

As a sidelight, our nine-year-old son was impressed with the fact that policemen—in addition to making arrests and solving crimes—are true public servants in every sense of the word.

Again, our sincere thanks to each of the officers for their understanding and assistance.

Sincerely,

Mr. & Mrs. Jerry W. Jackson  
Fair Oaks, California

Editor, The Times:

We oppose the granting of a use permit to build a 120-unit apartment building on Albany Hill. The land on the top of the hill should be rezoned for open space and purchased as a park. At the very time when this possibility will soon be examined by at least one park agency (and probably more) it would be the ultimate in irresponsibility to allow a huge complex to overlook much of the hill's upper perimeter.

Regarding the loss of revenue that would occur should the land be taken off the tax rolls, it is important that we look at the figures closely. For instance, a 10-acre park on top of the hill would at present tax rates and assessments reduce city income by approximately 50 cents per person in the City of Albany.

Surely our environmental health is worth something. We cannot afford not to look into park possibilities now.

Yours truly,  
Mr. & Mrs. Eric Beals  
920 Madison St.

### DANGEROUS SKIDS

Skidding accidents cause 10,000 deaths yearly. Knowing how to control a skid can be a life saver, adds Liberty Mutual Insurance Companies. Never jam on the brakes or step down on the accelerator. The most effective ways of regaining control are steering in the direction of the skid and stabbing the brakes.

## Obituaries

### Verna B. Wells

Verna B. Wells, a resident of Albany who resided on Evelyn Avenue, passed away Saturday, April 27, in El Cerrito after a short illness. A native of Iowa, Mrs. Wells was 62 years of age.

She is survived by her husband, Myrtle W. Wells, and four daughters, Dona Silvestro of Santa Rosa, Mary Lou Ham of Berkeley, Betty Rinaldi of Davis and Janice Sattler of Richmond. Also 10 grandchildren and a sister, Charlotte DeVitt of Iowa.

Mrs. Wells was a member of the Gracemont Baptist Church in Albany where funeral services were held, Monday afternoon at 1:30 p.m., conducted by Dr. Tucker N. Callaway. Entombment followed at Sunset Mausoleum. Ellis-Olson Mortuary was in charge of arrangements.

### Gladys H. Hardin

Gladys H. Hardin, a 51-year resident of Albany, passed away last week in Oakland, aged 79, she was a native of Tampico, Ill., and a member of Thousand Oaks Chapter 375, O.E.S., I.T.U. Auxiliary No. 36, Typographical Union No. 26, and Senior Citizens of Albany.

Services in her memory were held at the Ellis-Olson Mortuary, Albany, at 2 p.m., Saturday, May 6, 1972, conducted by Rev. Ronald Greilich of Albany United Methodist Church and Thousand Oaks Chapter No. 375, O.E.S.

Mrs. Hardin is survived by two nieces, Mary E. Byars of Omaha, Neb., and Karen Harmon of Klamath, Ore., and a nephew, Dr. Jackson Byars of Manhattan, Kansas.

### Jessie Fish

Jessie Russell Hiram Fish, a former 30-year resident of Madison St., Albany, passed away in Boise, Idaho, where he had been living with his granddaughter for a few years. Mr. Fish was a native of Carson City, Nevada, aged 92, at his death on April 26.

Last rites were conducted by Rev. Ronald A. Greilich of Albany United Methodist Church on Monday, May 1, in the Chapel of the Ellis-Olson Mortuary, Albany. Entombment followed in Sunset Mausoleum, Berkeley. The family would appreciate memorials to the Alameda County Heart Association in his memory.

He leaves his grandchildren, Arlene L. and Alfred P. Spiers of Boise, Idaho.

## U.S. Postal Service Insurance Change

The U.S. Postal Service has reported that a new streamlined insurance system is speeding settlement of insured mail claims.

The new system reduces the time required to process a claim form from weeks to days, and eliminates the need to complete three separate forms.

Mailers submitting claims should ask for the new Form 3812 (dated November, 1971) from their post offices.

Only one post office, instead of two, will be involved in handling most claims. The claimant—either mailer or addressee—will deal with his post office, showing a mailing receipt or the damaged package.

The claimant will fill in the appropriate parts of the new Form 3812 which is then mailed directly to the other party for completion. The claim is then sent directly to the Postal Data Center in St. Louis for adjudication.

Under the old procedures, the claim was sent to a second postmaster who asked his customer to complete the claim, usually in his office.

Centralizing the adjudication of claims at one point will provide for more uniform interpretation of regulations and claim payments.

Up to \$200.00 of insurance can be obtained for parcels mailed as "priority" mail (usually providing air services), single piece third class mail (such as merchandise samples) and parcel post (fourth class mail).

## Your job relies on electricity— and on our job to provide it.

No matter how you make a living, your job relies on electricity. Without it, factories, schools, hospitals, stores and office buildings where people work simply could not operate.

Our job is to serve the demand for electricity without brownouts or blackouts that would interrupt work and most other activities.

The demand for electricity increases with growing population, expanding needs of commerce and industry and new equipment to clean up our

environment. Therefore, we must provide power facilities to stay ahead of growing demand and prevent power shortages.

Some individuals and

responsible public agencies assure that in building new facilities we serve the best public interests, including environmental and ecological considerations.

To keep your electricity on tomorrow, we must build today. PG&E
